OFFICE NOTE.

SUBJECT. Right to Toddy Rev by Inamdar Tanjore Krishnayer of Damanguad Village, Channapatna Taluk, Bangalore Distt.

LAST REFERENCE. Letter No. _____ dated _____

from _____

Toddy Rev: Consists of two distinct items viz (a) an "Excise duty" and (b) a "Rent" for Toddy trees. The Excise "duty" is paid for the privilege of selling Toddy, which is an excisable article under a Special Law. The "Rent" is in the nature of a payment to the land-lord as the price of the produce of the trees standing on his land.

2. The Sanad is silent as to the Inamdar's right to Toddy "Duty"; as, as a matter of fact, he has no shops in his holding

to sell the toddy and thus es
establish his right thereto.
3 the trees are his and he is
entitled to the "Rent" realized es
therefor less Collection Charges,
(4) Royalty to acquire the right
to tap for sale, as the article
is an Excisable item.
4. We can cut down the
trees and burn them or sell
them or do any thing he likes,
but tap them to draw toddy,
for sale. We can draw to
make jaggery but in that case
he must pay a "Royalty" for
the right to do so or get a
Naphee Licence, if Govt waive
their right.
5. The rates fixed by the
Excise Comr are excessive and
prohibitive for Jungore. They
are not generally adopted even
in Madras but in certain es
Special tracts. In my notes
I have given a scale of charges
which may be justly and
equitably recommendable from
Examdars.

Note. 4

T Krishnaswami Iyer, Joddi dar of Damanapunda Doddi village, Chennapatam Taluq prays ~~represents~~ in his petition dated ~~20~~ 10th March 1897 for payment of Toddy Revenue of his village on account of

(1) Toddy shop

(2) the lease of the date trees

He says that he received an advance for the latter for the 3 years 1892-93, 93-94 & 94-95 and nine for the former items.

In the Inam register ~~is mentioned~~ the right to Toddy Revenue is conceded in the following terms:—

"In the Taluk quoted in Column 11, the item of Toddy trees was included in the Beriz and pagoda were charged therefor, the Inamdar is therefore entitled to the Revenue accruing from toddy trees".

As explained in some of the Govt orders, Toddy Rev consists of two distinct

distinct items viz

(1) "Excise duty" payable chargeable for the privilege of selling toddy, which under some special law is considered an excisable article.

(2) "Rent" for the trees.

From the wording in the Sanad it is doubtful whether any distinction was recognized at all between "the Excise duty" & "the Rent for trees"

The Deputy Commr in this enquiry into the claims of the Inamdar is however of opinion that the Inamdar is not entitled to "Excise duty". pending therefore the issue of definite instructions as to the settlement of such disputes the petition may lie over or orders may be passed for payment of advances subject to future adjustment.

Bring this to me along with the Inam file, for which the Secy has ordered this to be placed, as soon as you get the same at Bangalore from the Secy.

Sir,

I am the Jodidar of the Damanagunda village of the Chennapatam Taluk. I addressed several petitions to the Deputy Commissioner of Bangalore for the payment of revenue due to me on account of both Toddyshop and lease of date trees of the said Jodi village from 1892-3 upto 1896-7. I received an advance only for the lease of date trees for three years that is 1892-3, 1893-4, and 1894-5 but not shop rent for any of the years although my

title to it has been proved to be beyond all doubt. The Deputy Commissioner gave me the accompanying endorsement No: 138 dated 5th February 1897 stating that the Government had not authorized the payment of Toddy dues of Luandara and that any claim would receive notice when the orders of Government are passed. I therefore humbly beg that you will be pleased to do me the favor of moving the Government in the matter and obtain its orders for the immediate payment of revenue due to me on account of Toddy shop from 1892-3 to 1896-7 and on account of Lease of date trees for 1895-6 and 1896-7. As I am now very sick and

confined to my bed and island
in need of money for my
expenses, I humbly pray
that Government may be
kindly pleased to order the
payment of the said revenue
at once, as I have no other
means of livelihood and
suffer much in my ill-
-ness for want of means.
If it is not possible to
settle my case at once, I
earnestly and humbly
pray that an advance
may at least be now
ordered to be immediately
paid to me as was done
on a former occasion.

I beg to remain

Submitted.

From the Statement of advances received with Excise Commr's letter No 687 & 31st July/96, it will be seen 68

77

Out of the total rental of Rs 15,697-3-9 realized for 3 years 1891-92 1893-94 & 1894-95, Rs 1800/- have been advanced to the Petitioner who says that he is entitled to the Shop & Grove rent, he has been paid only for the latter. But the Dy Commr & the General Asst to Commr say that there is no Shop in the Village & the former observes also recorded that the Inamdar is not entitled to Excise revenues. The Inam Register merely says he is entitled to the Revenue from the Toddy. It is not therefore clear. What the Petitioner means by saying that he is entitled to the Shop rent also, when there is no Shop in the Village - Please enter Dy Comrs remarks on the margin page 2.

Petitioner also applies for remission of Toddy revenue of his Village for 1895-96 & 1896-97 which can only be allowed to him along with other Inamdars.
